## COMMON QUESTIONS:

### When do I place my trash cart at curbside?

- The carts should be placed at the curb no later than 6:00 A.M. on your scheduled collection day to ensure that it is picked up. Failure to put the cart out in time for pick-up could result in delay of trash service until the following week's collection schedule. Call the office for more information.
- Do not count on a regular time schedule during the day for pick-up. Trucks break down and other drivers may have to fill in at a different time of day, but every effort will be made to provide service as soon as possible.
- HOLIDAY SCHEDULE-Thanksgiving and Christmas (Thanksgiving and Christmas are the only holidays that the schedule for trash service is affected) If your regular pickup day is on or after those days, we will be one day late for collection. (If in doubt, call our office or check our Facebook Page)
- Trash service runs on schedule on all other days and holidays. Please set your trash out on the regular scheduled pick up day, by 6:00 A.M. (If in doubt, call our office or check our Facebook Page)

- Proper position is imperative when placing your container out for collection.

## What kind of refuse can I put in the trash cart?

- Household trash/garbage ONLY.
- We ask that you please bag all garbage for litter control and sanitation reasons. Bagging all garbage will prevent spillage. **HELP KEEP YOUR NEIGHBORHOOD CLEAN!**
- If one trash cart is not enough to fit your household needs, an extra trash cart can be requested for an additional fee of \$4 per month. For more information call 256-773-3887 or go to [www.co.morgan.al.us](http://www.co.morgan.al.us), under Departments & Services, click Environmental Services, then click, the additional cart application tab. The form can be faxed, emailed or post mailed. The utility company account number is required to set-up billing.
- All pet waste **MUST** be bagged, for sanitation and to prevent odor.
- **DIABETIC!** Please put syringes, hypodermic needles in a two liter coffee can with a lid. **FOR SAFETY REASONS, DO NOT PUT IN GARBAGE LOOSE!**
- **DO NOT** put yard debris, rocks, dirt, building and construction debris, hot or flammable items, hazardous material, or chemicals in your trash cart.

**CHEMI-COLLECTION DAY IS THE 2<sup>ND</sup> SATURDAY OF EACH MONTH, 9 A.M. TO 12 NOON, AT 1802 CENTRAL PARKWAY S.W., DECATUR.**

Decatur City Public Works offers Chemi-Collection Day, once a month, at the public works building, 1802 Central Parkway S.W., Decatur. Hazardous chemicals, wet paint, motor oil, batteries, etc. may be dropped off there.

**For more information call 256-341-4740.**

## What are my options for large items that will not fit in the container?

- Do not overfill or lean anything against the cart. Everything must be inside the cart. Do not overfill the cart to the extent the lid will not close. If the lid is not closed, garbage may spill as it is emptied. **If this occurs, the property owner is responsible for clean-up.** Cut up cardboard before placing it in the cart or take it to one of our many recycling locations across the county.
- County Commissioners offer clean-up during the spring and fall each year, for items that are not picked up by the regular route trucks. Call our office, check our Facebook page or watch the newspaper for specific information.
- Large items may also be disposed of, year round for a fee at the Decatur/Morgan County Landfill located on Hwy 20 West, Decatur, at the County Line. Hours of operation are, Monday-Friday 6:00 to 4:00 and Saturday 7:00 to 11:30. For additional information call 256-341-4993.

## What if my trash cart is stolen or destroyed?

- The trash carts belong to Morgan County, and we expect our residents to take reasonable care of this property. Please do not paint, mutilate, alter or modify the container in any way. Please do not put hot ashes or hot coals into the cart. **If the cart is damaged due to abuse, the resident is responsible for replacement at a cost of \$50 per cart.**
- **If it is deemed that the County damaged your cart on collection day, it will be replaced at no cost.**
- If the trash cart is stolen on the scheduled collection day, the resident is required to file a theft of property report with the Sheriff's Department. A printed copy of the actual theft report and proof of residence, must be provided to Morgan County Environmental to get a replacement.
- Landlords/Property Managers are responsible for each rental property address. If carts are stolen or damaged by tenants the replacement fee is \$50 per cart and must be paid in advance of replacement.

**NOTE: We are restricted from picking up any other trash receptacles. We are only allowed to pick up the carts we issue, that are designed specifically for our equipment.**

### **What happens when a household moves/vacates the property?**

- The carts are issued to an address and **must not be removed from the premises**. If moving, please call our office at 256-773-3887, to have the container picked up. The new resident must request a replacement cart, once the utilities have been transferred or re-activated.
