## **The Falkville Outlook**

# **DID YOU KNOW?.....**

It goes without saying that the holidays are about unity and enjoying delicious meals.  
Let us not forget that it is so much more than that!

**Definition of Thanksgiving: The expression of gratitude, especially to God.**

**“In everything, by prayer and petition, with thanksgiving, present your requests to God.”  
(Philippians 4:6).**

Upon their arrival at New Plymouth, the Pilgrims composed The Mayflower Compact, which honored God. This contract was not only a contract with each other but with God and man. Thanksgiving begins with acknowledging God as faithful, earnestly giving Him thanks, in advance, for His abundant blessings. The true meaning of Thanksgiving focuses upon relationships.  
Thanksgiving is a relationship between God and man.

**Thanksgiving is an attitude of the heart that reinforces an intimate relationship with God.**
