**Certain restrictions and regulations apply to the burning of materials. Upon giving this notice, you are being issued a copy of the regulations of the Alabama Department of Environmental Management for the control of open burning and incineration. These are given to you as guidelines and do not necessarily constitute a comprehensive list of applicable laws and regulations. Other laws and regulations may apply. Furnishing the form is intended as a guideline only. All burning is subject to all applicable laws and regulations and failure to comply with same could result in criminal prosecution or civil liability or both. This document is not a permit to burn, but is your notice to public officials of your intent to burn materials. If you do undertake to burn, you are notified that should you cause damage to person or property, you will be held responsible for any and all damages, direct or indirect, which are caused by your activity.**
